SUBJECT INDEX

Abstracts of papers published in the <i>Journal</i> 1952-1963 25, 141, 149	Canadian Division of the Institution 138	
Accounts for the year ended 31st March 1964 ... 155	'Challenge of Engineering', E.I.J.C. Headmasters' Conference 80	
Acoustic Treatment of the Royal Festival Hall ... 64	Change of Name of the Institution 3, 25, 138	
Advisory Council on Technology 177	Channel Islands Group of Professional Engineers 63	
AERIALS AND ARRAYS:		
Paris Component Show report 83	City and Guilds of London Institute	
Reserve transmitting aerials for I.T.A. network 131	Prince Philip Medal 63	
'Age of Automation' B.B.C. Reith lectures ... 63	Clerk Maxwell Memorial Lecture 26	
American Society of Women Engineers 51	Colleges of Advanced Technology 63	
Annual General Meeting of the Institution ... 4, 135	Comité Consultatif International des Radio Com- munications	
Annual Report of the Council 137	Meeting on Colour Television Standards ... 28	
Apprentices	Committee on the Organization of Civil Science 102	
International Competition 92	Commonwealth Relations Committee of the Institution 139	
Reunion of R.A.F. Wireless Apprentices ... 157	Communications, improvement of 10	
Around the Sections 15, 27, 93, 158	COMPUTERS:	
(See also Index to Meetings)	'Simulators for Training Purposes' Colloquium 70	
Assisted resonance, Building Research Station work on 65	University of London <i>Atlas</i> computing service 79	
Association of Supervising Electrical Engineers	'Road and Rail Traffic Control Using Com- puters', Symposium 132	
Proposal to promote Institution of Electrical and Electronics Technician Engineers ... 59	CONFERENCES AND SYMPOSIA:	
<i>Atlas I</i> computing service for London University 79	Salon International des 'Composants Elec- tronique' 83	
Automobile Industry, Symposium on Electronics in 16	'Electronics in the Automobile Industry' Symposium 16	
Benevolent Fund of the Institution 96	'Electronics and Productivity' Convention ... 11	
Biological Engineering Society 47	'Engineering for Reliability in the Design of Semiconductor Equipment', Symposium ... 159	
Birmingham University, Department of Electronic and Electrical Engineering, Change of name ... 2	E.O.Q.C. Conference on 'Quality Appraisal and Quality Incentives' 80	
Bristol Technical College television station ... 50	Headmasters' Conference 80	
British Broadcasting Corporation	International Flight Test Instrumentation Symposium 51	
11-Gc/s links for outside broadcasts 50	'Industry Shapes the Future' R.D.P. Exhibition Conference 51	
1964 Reith Lectures 63	Symposium on Lasers 51	
Stereophonic broadcasting 81	'Magnetic Circuit Design applied to Electro- mechanical Transducers', Symposium of short papers 95	
Reversible television standards converter ... 131	International Conference on 'Magnetic Recording' 18	
British Electrical and Allied Manufacturers Association, export figures 81	Fifth International Conference on Medical Electronics 47	
British Nuclear Energy Society	Symposium on 'Microminiaturization' ... 99	
Symposium on 'Operation of Electronic Equip- ment under Conditions of Severe Electrical Interference' 26	'Modern Techniques for Recording and Pro- cessing Seismic Signals' Symposium ... 26	
Value of work done 139	'Operation of Electronic Equipment under Conditions of Severe Electrical Interference' Symposium 26	
British Productivity Council Conference ... 10	'Physics Abstracts and Related Topics' Con- ference 157	
British Radio Valve Manufacturers' Association	'Productivity-The Next Five Years' Conference 10	
Report on sales and exports 81	Conference on 'Quality is Good Business' ... 18	
Guide to British electronic valve industry ... 131	Symposium on 'Road and Rail Traffic Control Using Computers' 132	
British Railways	'Simulators for Training Purposes' Colloquium 26, 70	
Continuous Progress Control 133	First International Conference of 'Women Engineers and Scientists' 51	
British Standards Institution		
(See also International Electro-technical Com- mission and Standards)		
New and revised standards 19, 57, 88		
Representations to I.E.C. Meeting in Venice, 1963 29		
Standards Conference 88		
Register of Standards Associates 88		
I.E.R.E. support of 139, 143		
Building Research Station		
Work on assisted resonance for concert halls ... 64

CONFERENCES AND SYMPOSIA (*continued*):

Institution's Technical Committee's co-ordination of Symposia	145	Education and Training Committee of the Institution	
Review by Programme and Papers Committee of the Institution	150	Annual Report	146
New policy on publication of Symposium papers	152	Revision of Graduateship examination syllabus	147
Continuous Progress Control of Rail Traffic ...	133	Elections and Transfers, Members' 20, 54, 84, 126,	160
Control using Computers, Symposium on Road and Rail Traffic	132	Electronic Engineering, Textbooks on	149
Council of the Institution, nominations and elections	60, 135	Electronic Engineering Association	
Council for National Academic Awards		Annual General Meeting	80
New chairman	53	Changes to Constitution and Regulations ...	80
Council for Scientific Policy	100	Electronic Engineering Drawing	
Cranfield College of Aeronautics courses and symposium	51	Syllabus for electronic engineers' examination	147
Crowther Report '15-18: Report of the Central Advisory Council for Education'	31, 34	I.E.R.E. Education and Training Committee report	149
Department of Education and Science ...	100, 147	Electronic Valve and Semiconductor Manufacturers' Association report on sales and exports	81
Department of Scientific and Industrial Research		Guide to British electronic valve industry ...	131
Steerable radio telescope for Radio Research Station	81	'Electronics in the Automobile Industry' Symposium	16
Study of research in electronics industry ...	82	Electronics Equipment	
Regrouping of work on scientific research and development	100	Gold medals awarded to British firms at	
Digital Techniques, Cranfield Aeronautics College course	51	Leipzig Spring Fair	50
Diploma in Technology (Engineering) Courses ...	63	Paris Component Show	83
EDITORIALS:		Electronics Industry, Study of Research in 'Electronics and Productivity' Convention ...	82
Do <i>You</i> Support a Specialized Group? ...	1	Engineering Board	149
A United Engineering Profession	23	Engineering Institutions Joint Council ...	137, 139, 141

EDUCATION:		First annual report	23
Department of Electronic and Electrical Engineering, University of Birmingham—change of name	2	Common examination	23, 80, 146
Training of Radio and Electronics Technicians, I.E.R.E. report	31, 149	Petition for grant of a charter	24, 92, 98
Government reports on	31, 34	Retention of sandwich courses in technology and engineering	63
'Education and Training of Electrical Technician Engineers', I.E.E. report ...	31, 34, 149	Members invited to Channel Islands Professional Engineers meetings	63
Sixth Form and the Engineer	34	Progress Report: <i>Science Bulletin</i> ; Headmasters' Conference; representation at F.E.A.N.I. meetings	80
Bristol Technical College television station ...	50	New chairman	92
Council for National Academic Awards ...	53	I.E.R.E., payments to	153
Diploma in Technology (Engineering) sandwich courses	63	Engineering Profession	
More students for technology—a task for E.I.J.C.	80	Greater Unification of Engineering Institutions	4
Reports of I.E.R.E. Technical, Examinations and Education Committees	145, 146	A United Engineering Profession	23
Joint Committee for Higher National Certificates and Diplomas	147	Common standards for examinations	23, 80, 146
		Closer co-operation between E.I.J.C., the Royal Society, Royal Institution and the British Association	80
		E.I.J.C. and Engineers' Guild representation at F.E.A.N.I. meetings in Europe	80
		Keeping Up-to-Date	91
		'Engineering for Reliability in the Design of Semiconductor Equipment' Symposium	159
		European Launcher Development Organization	52
		European Organization for Quality Control Conference, 1964: 'Quality Appraisal and Quality Incentives'	80

INDEX TO MEETINGS

The following are synopses and reports, published in the *Proceedings*, including summaries of papers presented at London and Local Section meetings.

Synopses of papers are denoted by s.

Reports are denoted by R.

EAST MIDLANDS

Annual General Meeting	68
Logical Circuitry as Applied to Control Problems. I. A. Beachall	49 R
Medical Electronics. W. J. Perkins	9 R
Microelectronics. K. G. Nichols	68 R
Static Switching Elements—Principles and Applications. R. Adams	49 R
System of Automatic Angle Follow in Pulse Radar Sets. D. M. Bennoson	49 R
Transistor Music Transmission Amplifiers. B. Garland	49 R

LONDON

Clerk Maxwell Memorial Lecture	26
Effect of Tolerances on Automatic Landing Systems for Aircraft. M. G. Henley	95 s
Enhancing the Contribution of the Engineer to the Economy. A. C. Copisarow	94 s
High Definition in Radar. J. M. G. Seppen	17 s
'Magnetic Circuit Design Applied to Electro- mechanical Transducers'. Symposium of Short papers	95 s
Magnetic Circuit Design of Electro-mechanical Transducers. A. E. Falkus	95 s
Materials for Permanent Magnets. F. Knight	95 s
Modern Techniques for Recording and Processing Seismic Signals, Symposium on	26
Near Field Measurements and the Determination of Aerial Patterns. J. R. Blakey	94 s
Operation of Electronic Equipment under Con- ditions of Severe Electrical Interference, Symposium on	26
Practical Approach to Transistor Circuits. R. C. Foss and P. Styles	26 s
Recent Trends in Transistor Audio Amplifier Design. P. Tharma	17 s
Simulators for Training Purposes. Symposium of short papers	26
Some New Possibilities in Parametric Circuits. Papers by A. Szerlip, D. P. Howson, K. L. Hughes and D. G. Tucker	17

MERSEYSIDE

Automatic Marshalling Yards. J. M. Howe	68 R
Electronics in Archeology. D. Reaney	48 R
Electronics in Medicine. M. Simcock, D. Summers and W. H. Wilkes	159 s
History of Radio: From Hertz to Marconi. G. R. M. Garratt	69 R
Masers and Lasers. W. A. Gambling	48 R
Parametric Devices. T. Buckley	68 R
Video Telephones. A. Mumford	175 R

NORTH-EASTERN

The Role of the Engineer in Medicine. W. J. Perkins	15 s
---	------

NORTH-WESTERN

Annual General Meeting	67
Recent Advances in H. F. Transmission Equip- ment. V. O. Stokes	67 R
Satellites for Television Communications. L. F. Mathews	8 R
Some Aspects of the Use of Radio Telemetry in Small Rocket Vehicle Research and Develop- ment. M. A. Millward	66 R
Technical Film Session: 'ICT 1301 Computer'; 'Memory Devices'; 'Similarities of Wave Behaviour'	67 R

SCOTTISH

Counting Techniques. W. R. Diggle	17 s, 69 R
Electronic Control Systems in Coal Mining. G. M. Rendall	93 s, 175 R
Sequential Scanning and Data Logging. W. A. McCartney	27 s

SOUTH MIDLANDS

Digital Storage. W. Renwick	158 s
------------------------------------	-------

SOUTH WALES

Parametric Amplifiers. T. Buckley	158 s
Recent Developments in Radio Astronomy. J. Heywood	8 R
Semiconductors Integrated Circuits. G. C. Padwick	69 R
Stereophonic Sound. F. H. Brittain	49 R

SOUTH-WESTERN

Colour Television. D. H. Fisher	159 s
Development of the <i>Atlas</i> Computer System. D. B. G. Edwards	15 s
Microwave Spectroscopy and its Applications. D. J. E. Ingram	27 s
Principles and Technology of Lasers. R. C. Smith	66 R

SOUTHERN

Application of Telemetry and Remote Control Systems to a Water Undertaking. G. Bishop	158 s
Cheap System of Compatible Stereo Broadcasting. A. R. V. Roberts	93 s

Section Meetings and Book Notices

Field Effect Transistors. R. E. Hayes	93 s		
High Frequency Induction and Dielectric Heating. W. D. Wilkinson	94 s		
Introduction to the Theory and Application of Piezo-electric Transducers. R. F. J. Orwell ...	16 s		
Modern Trends in the Design of Computer Input- output Equipment. M. P. Circuit	49 R		
Present-Day Trends in Microwave Techniques. G. D. Sims	16 s		
		WEST MIDLANDS	
		Electronics in the Automobile Industry, Symposium	16
		Radar and Data Processing. D. H. Davies ...	27 s
		YORKSHIRE	
		Multi-function Static Switching System. C. G. Cargill	48 R

INDEX TO BOOK NOTICES

American Miniature and Microminiature Elec- tronic Assemblies Data Annual 1963-64. <i>Eds.</i> G. W. A. Dummer and J. Mackenzie Robertson	134	Manuale di Elettronica Industriale. K. Henney and J. D. Fahnestock. (<i>Transl.</i> G. E. Buzzelli)	89
Analogue Computing at Ultra-High Speed. D. M. MacKay and M. E. Fisher	58	Marine Sciences Instrumentation. Vol. 2. Proceedings of the Symposium on 'Transducers for Oceanic Research', November 1962, San Diego. <i>Ed.</i> R. D. Gaul	134
Anodising Aluminium, Proceedings of a Con- ference. Aluminium Development Association	58	Matrix Theory for Electrical Engineering Students. A. Mary Tropper	89
Arithmetic of Computers. N. A. Crowder ...	22	Microwave Engineering. A. F. Harvey	89
B.B.C. Handbook, 1963	58	Photo-Electronic Image Devices. <i>Eds.</i> J. D. McGee, W. L. Wilcock and L. Mandel ...	90
Basic Theory and Application of Tunnel Diodes. S. P. Gentile	58	Physics of Semiconductors, Proceedings of the International Conference, Exeter, July 1962. Institute of Physics and the Physical Society	90
Bibliography of the Ionosphere. An annotated survey through 1960. L. A. Manning	58	Printed Integrated Circuitry Materials and Processes. T. D. Schlabach and D. K. Rider	176
British Miniature and Microminiature Electronic Assemblies Data Annual 1963-64. <i>Eds.</i> G. W. A. Dummer and J. Mackenzie Robertson	176	Problems in Applied Physics. J. C. Higgins ...	89
